

ROOTS PROJECT

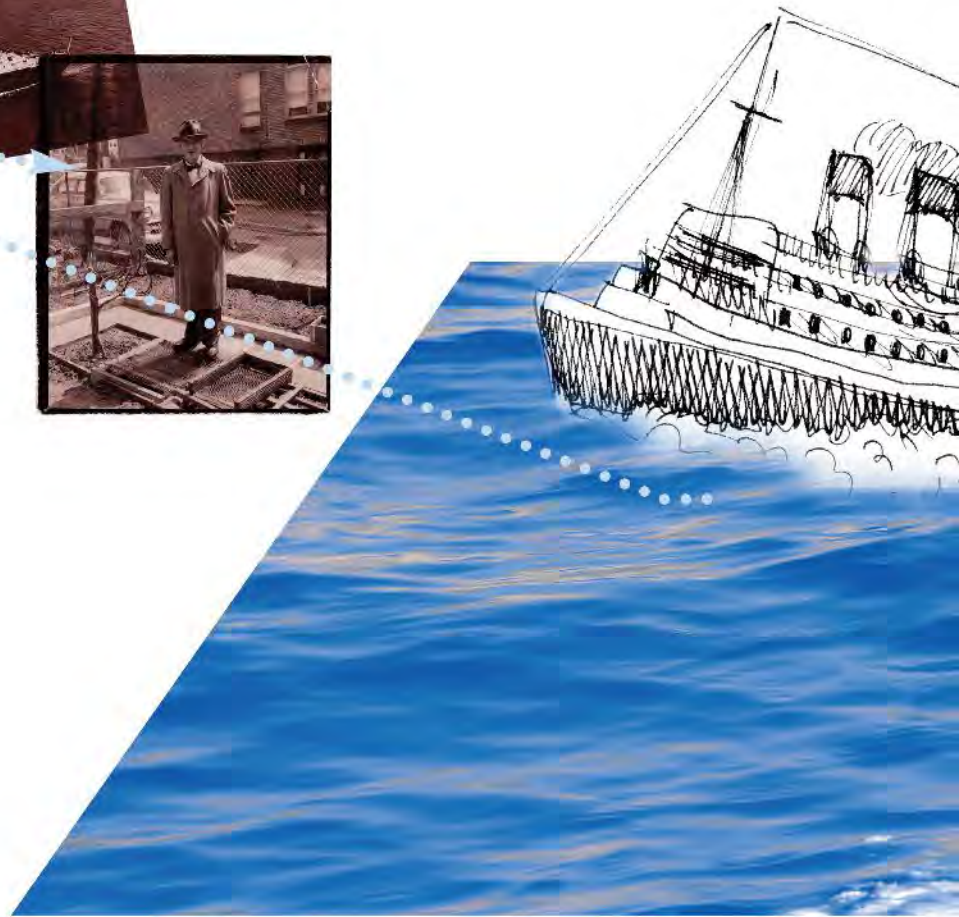

Private Society

Now you are here, but ... have you ever thought of

What are the benefits of going back to your ancestors' places of birth?

A dream, a long trip and such courage b

ge brought them here, far away from home.

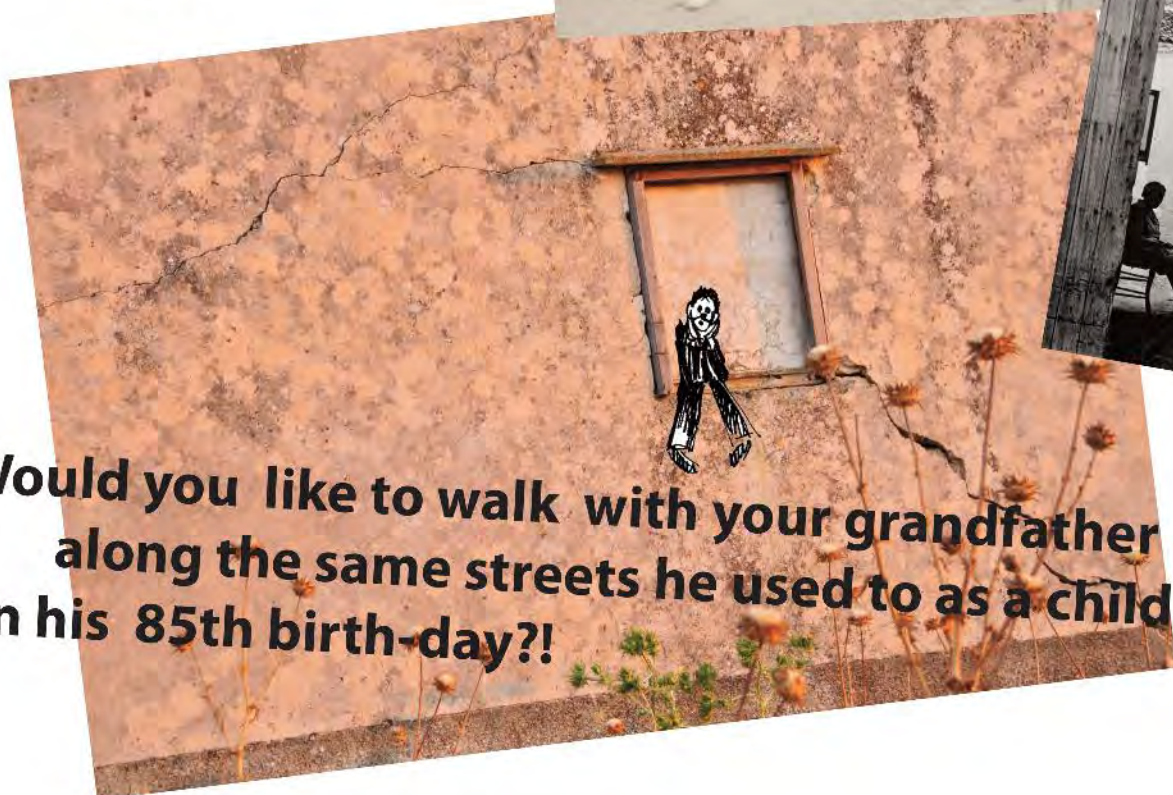

Do you want to see the p

Have you ever thought about meeting
long lost family members ?

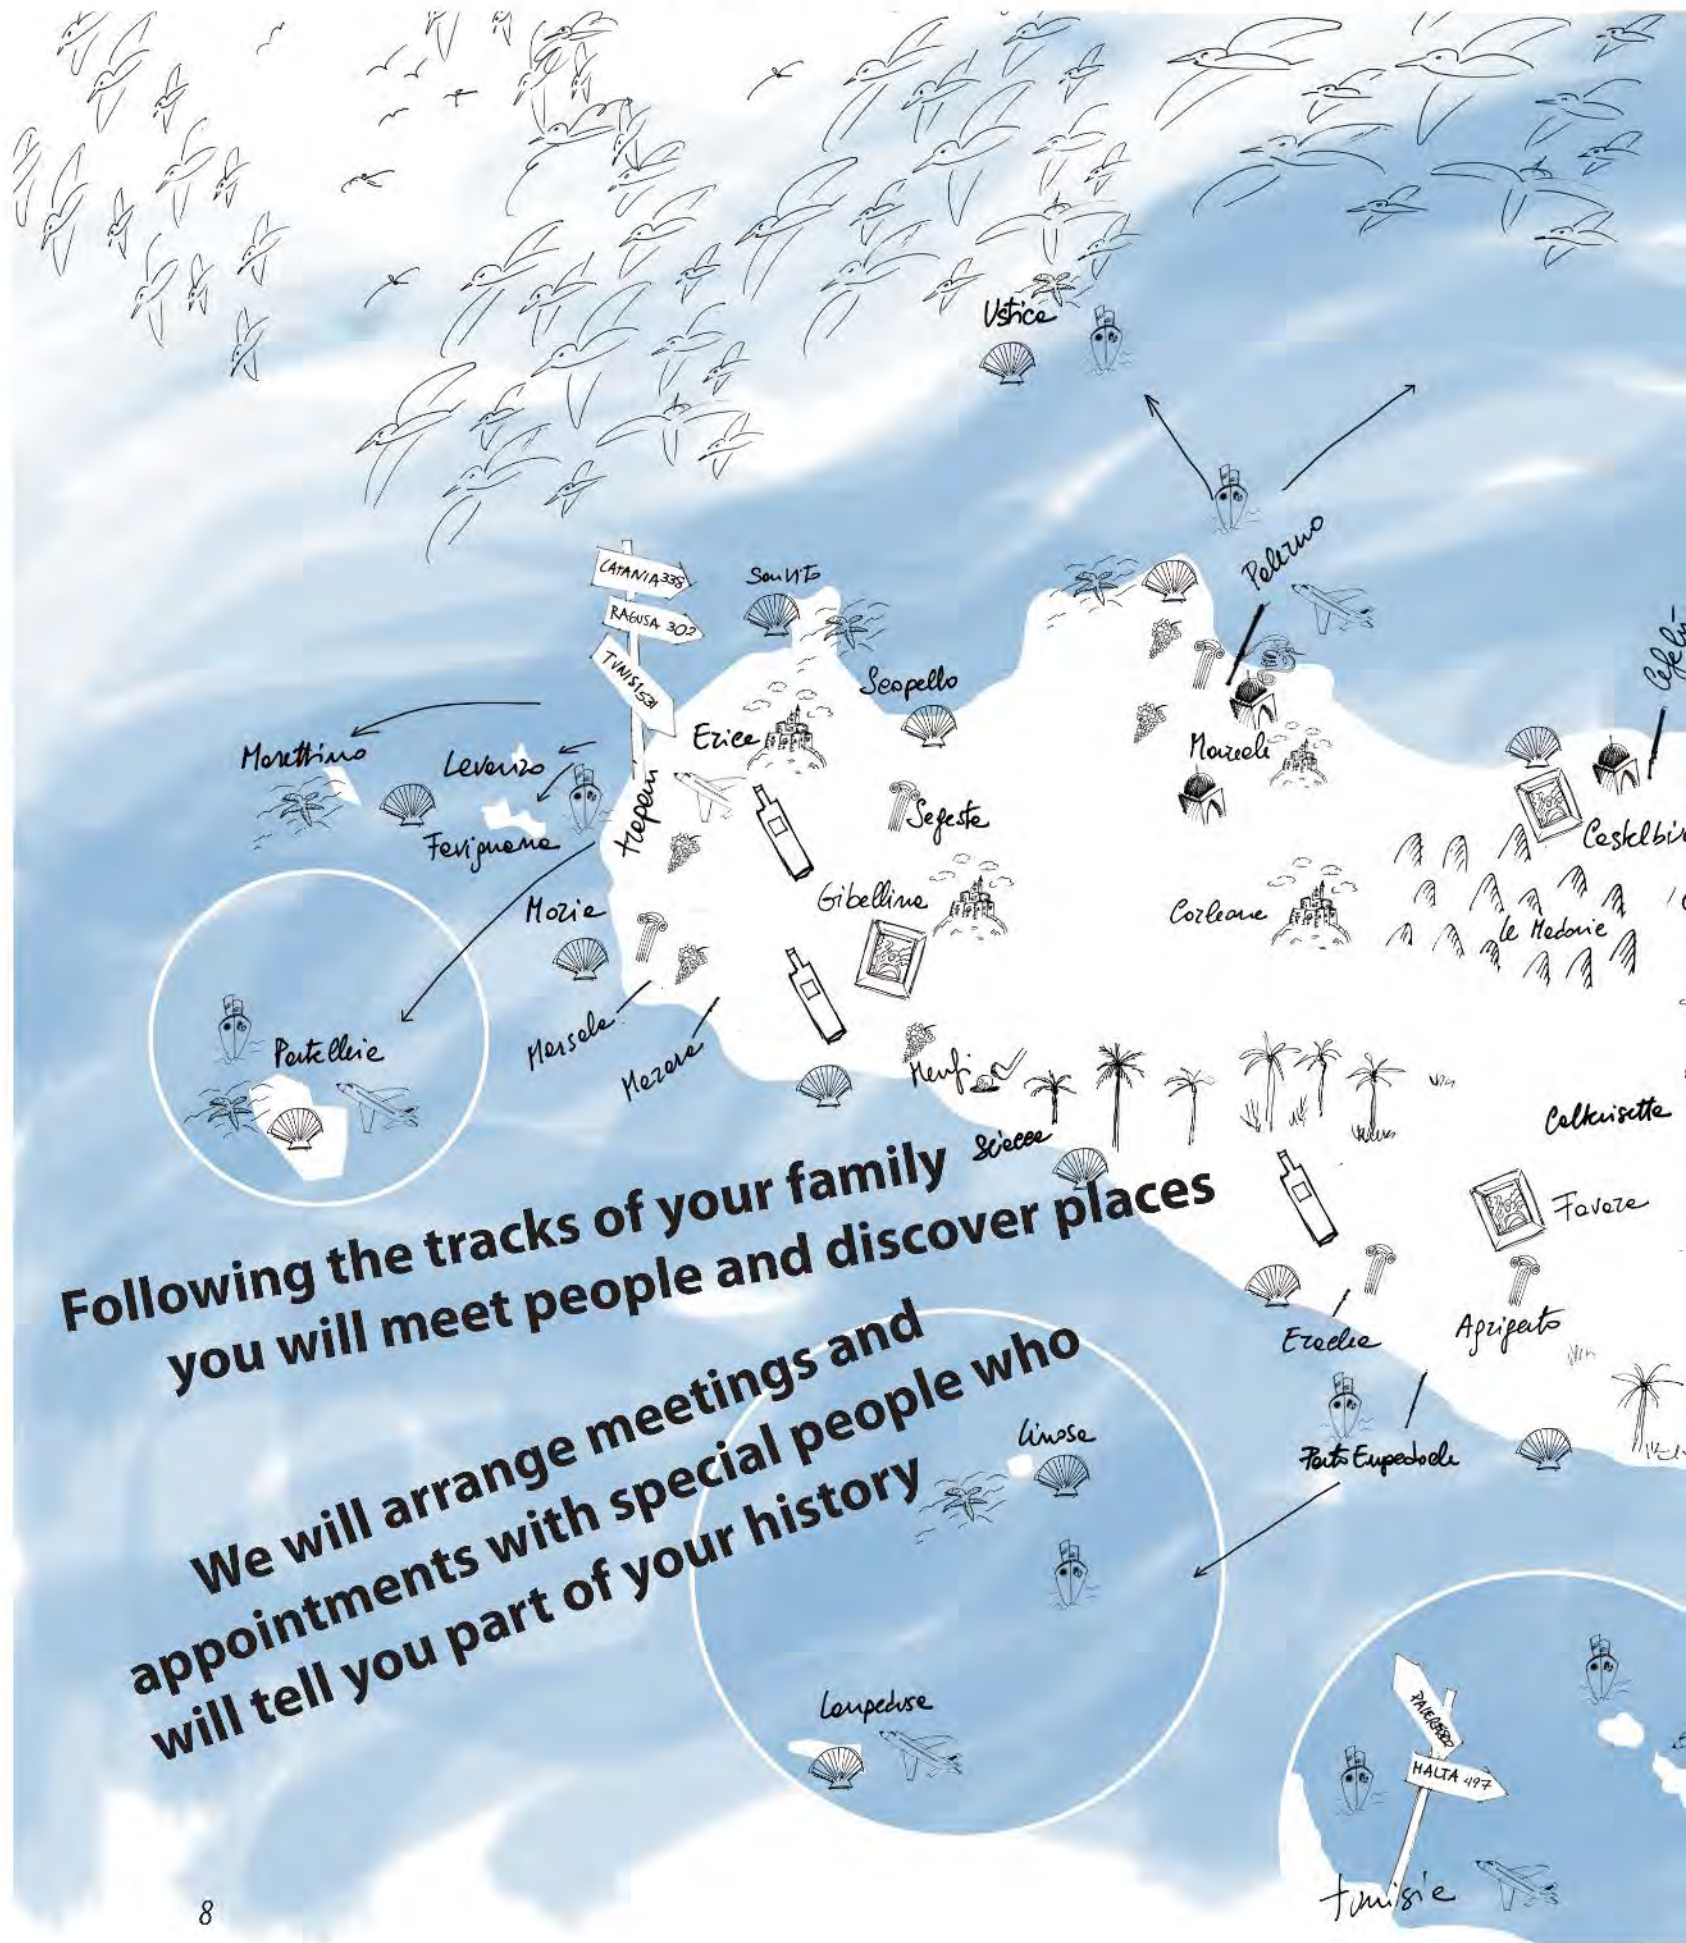

the places where it all started?

Would you like to walk with your grandfather along the same streets he used to as a child... on his 85th birth-day?!

We can assist you in your sentimental journey through your family history trip and make together a un

Following the tracks of your family you will meet people and discover places

We will arrange meetings and appointments with special people who will tell you part of your history

n
a unique and original experience.

But we can do more...

We want this experience to involve all your senses...

**You will finally see
with your
own eyes your
hometown ...**

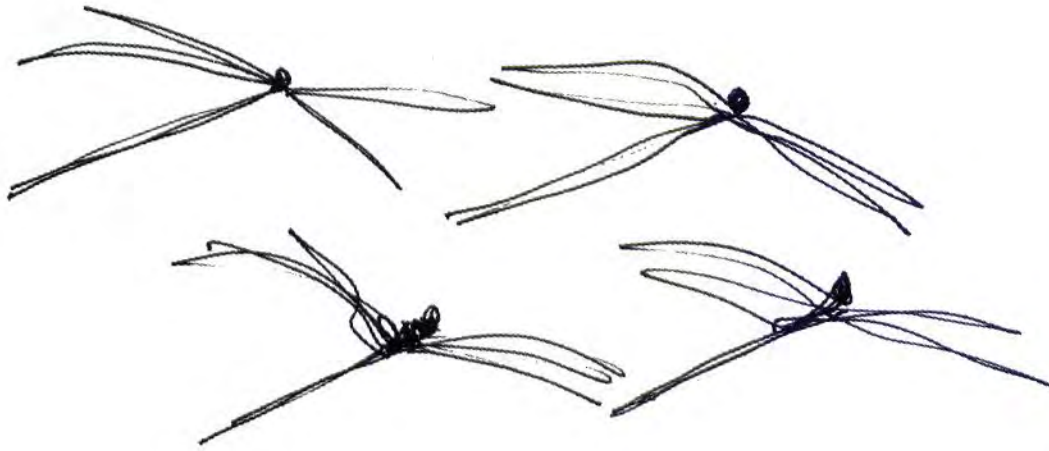

**Listen to the
language of
your forefathers,
to the sounds
and the music
of Sicily...**

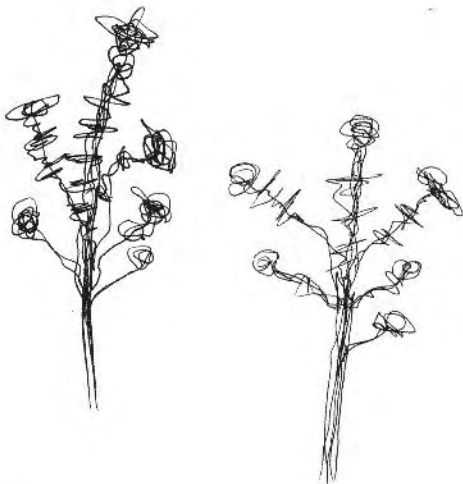

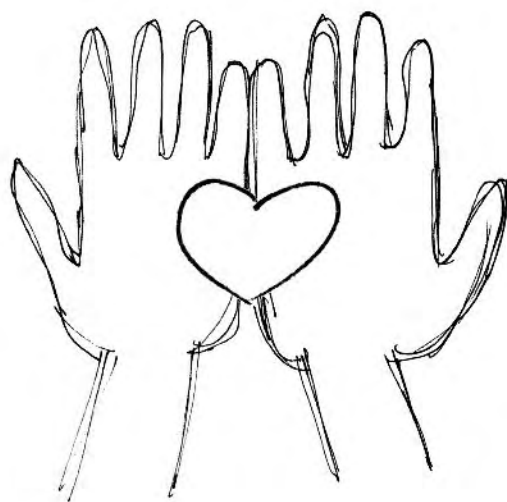

and the silence...

**...and you will touch
with your hands and
open your heart and
fall in love with Sicily!**

AND AT THE END

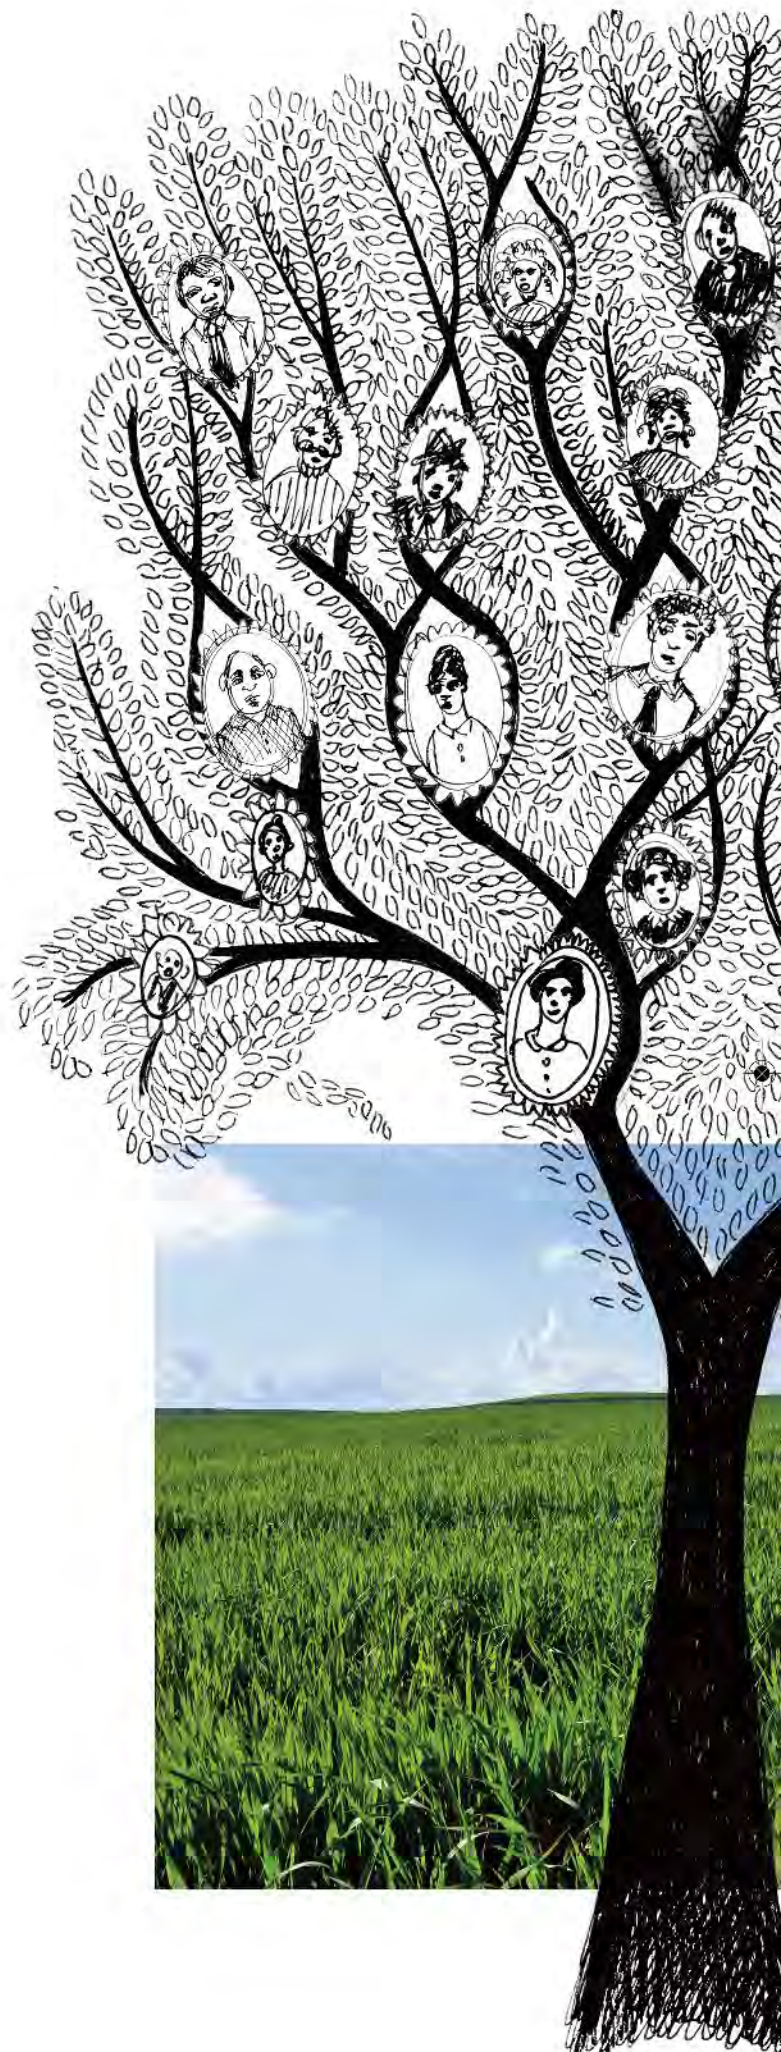

In your heart :

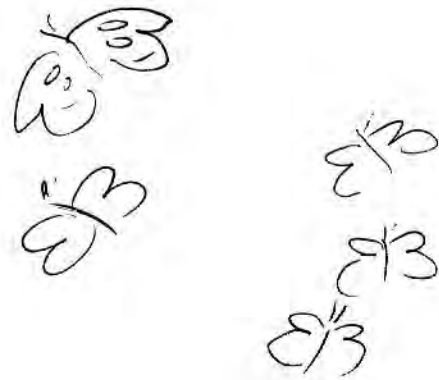

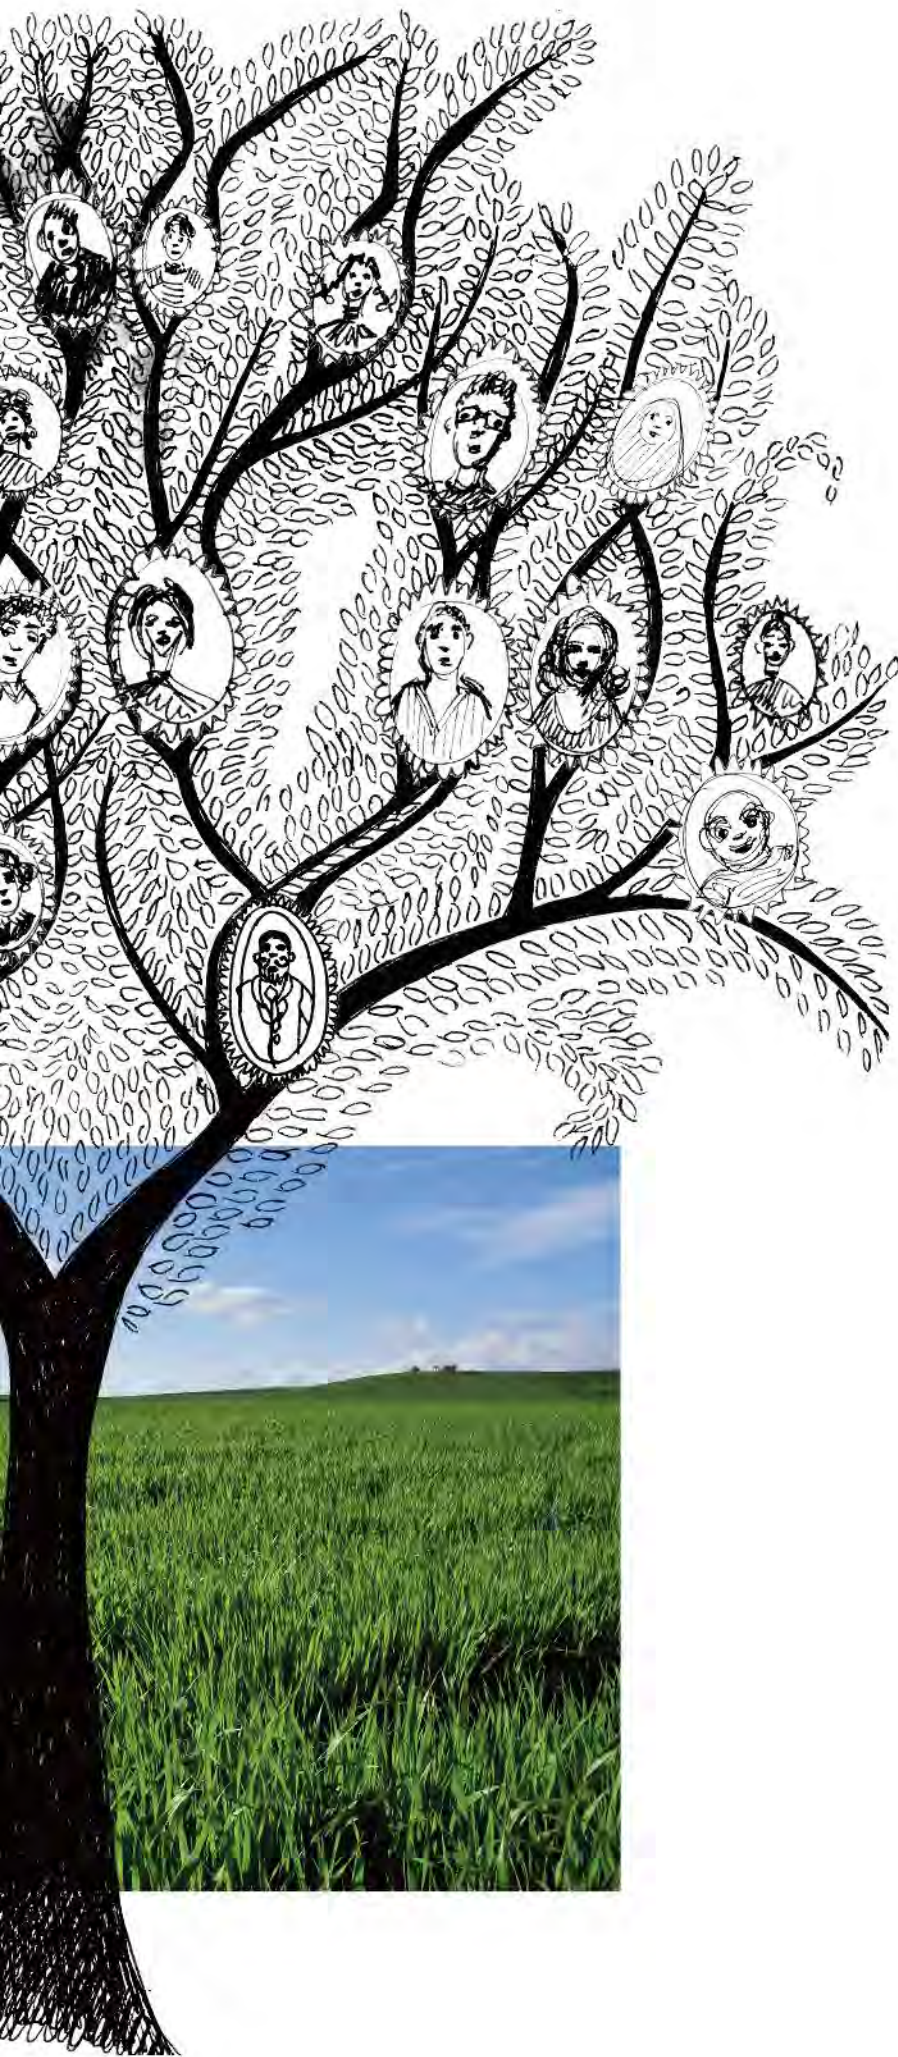

you will return to your world richer in culture, experiences and feelings that will change you in body and soul, because this journey deep in your roots will change your way of seeing life...

In your suitcase :

Your family book, containing the story of your ancestor's town, copies of official documents from civil or ecclesiastic authorities that record births, marriages and deaths, old pictures, old family letters, passengers and disembarkation lists and of course your family tree.

We can provide, as an additional on request service, a short video or a photo reportage of your journey! Ask us!

WHO WE ARE

We are a DMC and concierge agency in Sicily, specialized in **tailor made journeys**, with more than 30 years of experience in the travel industry. We are a dedicated and passionate team of “thru Sicilians” with a deep knowledge of the island and longstanding relations wherever needed. We cooperate with professional genealogists and researchers.
